

ON THE ROAD WITH

Poughkeepsie Live!

January 24, 2008. Alpine Squeeze! appeared on Time Warner's Cable 6 TV show "Poughkeepsie Live!" Hosted by Michael Dell, the weekly program, in its 15th season, provides a professional forum for musicians to showcase their talents. Time Warner Cable 6 can be seen in an area just north of NYC and south of Albany, NY with a viewership of approximately 200,000 homes. The band performed six songs, many from their latest album entitled "Tropical Squeeze." During the program Mr. Dell had the opportunity to interview Eric Baal who talked about his love for music and how the band was started.
