

ON THE ROAD WITH

PROSTIT!

Plattdeutsche Park Franklin Square, NY

September 5, 2008

With Dana Sylvander perfecting his talent on his horns, the dance floor was full with people enjoying the music on a beautiful early fall evening. Several of our fans who joined us on our "Tropical Squeeze" cruise in 2006 showed up and toasted to good times, good friends, and good music! Thank you to our good friends Matt, John and Valerie: "Plattdeustche Park ist Wunderbar!"
