Alpine Squeeze to Perform at Grand Opening of Hofbräu Bierhaus NYC

February 9, 2011 Cornwall on Hudson, NY

Alpine Squeeze has been booked by **Hofbräu Bierhaus NYC**, for their private VIP party (March 7, 2011) and their grand opening to the public on Thursday, March 10, 2011. Located at 712 3rd Avenue (at 45th Street), New York, NY, 10017, and only three blocks from Grand Central Station, both performances will no doubt draw a lot of attention.

At this writing their website is not up yet, however they show a lot of activity on Face Book.

Alpine Squeeze is looking forward to performing at the Bierhaus, as it represents one of Germany's most famous beers, if not the best!
